Meet The Best: at the heart of your business, in the green heart of Italy.

Dear NEBE partners and friends,

We are thrilled to welcome you to the 4th edition of **Meet The Best**, our successful club-style showcase dedicated to the world of Luxury events & destination weddings.

Thanks to our partnership with Umbria Region, Municipality of Gubbio, Fondazione Perugia and Park Hotel ai Cappuccini, this year we have chosen Gubbio: a lovely medieval town set at the heart of Umbria, the so called “green heart of Italy”, full of beauties and hidden gems, all to discover.

As all NEBE’s events, **Meet The Best** puts on top Human to Human relationships, because it is people that make the difference. In fact, the entire programme – from the one-to-one meetings to the networking activities and functions – is shaped to enable you to renew business relationships and to forge new ones.

Thank you very much for your support and preference. We wish you a successful attendance and an enjoyable stay in Gubbio.

Let us also take the opportunity to express to each one of you our warmest wishes for the upcoming season’s holidays and for 2024.

Sincerely yours,

Elisabetta Neri & NEBE Team

COMPANY PROFILE

To tell you about Bespoke Tour Operator, I need to start with Boarding Pass, a Travel Agency founded in 1997.

By the time the agency started its operations, groups were the core business. In 2012 and 2015 Boarding Pass joined the most important membership for corporate travel - FCM - and luxury travel - Virtuoso Network.

By that time there was a huge need in our market to propose and offer different tailor-made experiences. Bespoke Tour Operator was founded in 2016. It is a boutique wholesaler that works with selected travel agencies in our country in order to extend them all products that we have access to and help them fuel growth in Paraguay's tourism.

Both companies are always looking for new destinations and new experiences, ensuring innovative products, differentiated services and competitive prices.

Bespoke Tour Operator and Boarding Pass are made up of 60 people and each one makes both companies possible, with a unique commitment and value of work, accompanying the philosophy of differentiated and guaranteed 24/7 service.

COMPANY PROFILE

Canvas Meetings & Incentives is a full service conference, retreat & incentive planning company.

From site selection to virtual/ hybrid events to promotional goods, we use our deep industry relationships and proven capabilities to deliver an exceptional event. We take the time to help organizations connect with their stakeholders on a deeper level. Our strategic approach starts with the WHY instead of the what, when and how.

Events are a complex, time consuming orchestration of budgeting, planning, negotiation and attention to detail. Done well, a conference or event has the power to facilitate human interactions that enhance the human experience.

In 1993, Canvas set out to establish a comprehensive event planning company, one that was entrepreneurial, flexible and quick to respond. We had seen the big bureaucratic conference planning companies in action – so we took the opposite course. It worked. Over 27 years later, we are a 100% woman owned company, and we have planned thousands of conferences - saving our clients millions of dollars and innumerable hours of their time.

Canvas makes life easier by offering comprehensive conferences planning services and by allowing you to focus on the more important task of successfully running your business.

We know where the hidden gems are and the goal is to create a travel experience beyond the ordinary.
